

Yomu Travel — Asia Starter Kit

One brand. Japan, Korea, Vietnam, Taiwan. Choose a region before you open 40 hotel tabs.

Pick one first trip

If you want...	Start here	Skip for trip one
Trains + food + cities	Japan Classic 10	Trying to add Korea in the same 10 days
Compact capital + KTX coast	Korea Seoul–Busan	Jeju unless you have days left
Softer costs + bowls + water	Vietnam north or south focus	Hanoi + Ha Long + Hoi An + HCMC at a sprint
Food nights + easy add-on	Taiwan Taipei 4–6	East coast unless you like driving

Two-country combos (only with time)

Japan + Korea works with open-jaw and 14+ days. Japan + Taiwan can work as a food/night add-on if fares cooperate. Do not smash four countries into ten days.

Booking order

1) Season window. 2) Open-jaw flights if they save a dead travel day. 3) City order. 4) One hotel cluster per city. 5) Rail/eSIM. 6) One paid activity you actually care about — not twelve.

Connect + money

eSIM before you land when your phone is unlocked. Cards widely in JP/KR/TW cities; Vietnam still wants some cash. We may earn on partner stay/eSIM/activity links. Guides stay free.
